Zahnzangen Routurier

Modern Therapy · Modern Instruments

Diese speziellen Extraktionszangen bieten durch Ihre niedrige Bauweise und anatomisch gewinkelte Form einen sehr guten Zugang im unteren Molarenbereich. Besonders auch bei eingeschränkter Mundöffnung geeignet.

Routurier Extraction Forceps

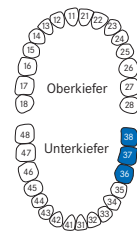

Modern Therapy · Modern Instruments

These special extraction forceps allow you to access easily the lower molars because of its anatomic angulated shape and its slim and compact design. Especially capable for patients with a restricted mouth opening.
